Crandon (1218)	0	1,108	Our adjusted headcount was 931 for the 14-15 school year. Our open-enroll out was 56 but due to some being duplicates and/or moving out of the area that number was reduced to 48. Next the HOMER site stated 26 families but only 13 have remained residents within the district. Lastly there are 116 graduates for the past two years.
Crivitz (1232)	0	912	0 The Skyward Census Report was pulling
			incorrect data. We've contacted them to fix the issue.

These children often had multiple last name changes associated with their status changes.
