This year I reviewed the PI-1207 and noticed the amish have been reporting numbers and I had been underestimating the amish population in the 4-20 age group.

Union Grove UHS (5852)	0	0	1,325	my report totals on skyward did not calculate correctly in 2018-19 report and I caught the problem now in 2019-20 report. I have a request into skyward to fix the totals page and have to count off individual students ages off detailed reports for the correct number.
