Boscobel (0609)	0	1,325	0	During the prior reporting period the district relied largely on the information and methodology used in previous years. Since that time the district has identified and utilized additional publicly available census data sources specific to the district which allowed for a more comprehensive and accurate calculation of the number of children residing within the district. As a result the current count reflects a more thorough review of available data and is not necessarily indicative of an actual increase of this magnitude in the districtâ€™s population from the previous year.
